Dear Families and Friends of St. Anne Catholic School,

"Samuel, though only a child, was the Lord's helper." I Samuel 2: 18

Thank you to all of the parents who made it out for Parent Orientation nights last week. It was great meeting all of you. I know it was fun meeting your children's teachers and seeing where they spend their days.

We have begun this school year with a bang. Everyone is so busy. Our youngest classes (K4 and K5) will be joining us for morning Prayer and Pledge. After Labor Day, they will also be joining us for Mass as well. We welcome all of our parents to join us for Friday Mass. This week's Mass will be lead by our 8th graders. Next week our 7th graders will host (Sept. 5th)

Our athletic teams have gotten off to a great start. Our soccer team had their first away game. While losing to the other team on the field, I heard many compliments about their wonderful sportsman like conduct both on and off the field. In addition, our swim team made a splash (sorry) at their first meet. They competed well and one of our team members, Taylor Barnes, brought home some medals as well. Next week, Sept. 4th will be our first home soccer game. Do not forget to come out and support our players. We are very proud of all of our athletes. They truly show others the mission of St. Anne Catholic School.

We have had many parent volunteers here this week working hard to get many programs up and running. Thank you to our PSA volunteers for organizing both the Market Day program and the Sally Foster Fundraiser. They spent many hours here organizing, copying, and getting everything ready to go. I know that through their efforts these two fundraisers will be very successful. Thank you ladies!

Our library is in need of a volunteer on Mondays to help some of our larger classes find books and take their AR tests. If anyone can help us out, please let the office know.

I pray that we all have a restful and safe Labor Day weekend. We will see everyone back here on Tuesday, Sept. 2.

Blessings,

Bonnie Polewski
