Dear Friends and Families of St. Anne Catholic School,

“Father, Lord of heaven and earth, to You I offer praise; for what You have hidden from the learned and the clever You have revealed to the merest children.” Matthew 11:25

As you can see by our Newsletter, we are getting very busy here at St. Anne's school. Our athletic teams continue to strive for success in every arena. We are looking forward to our first home volleyball game tonight (Wednesday). Many thanks to all of our coaches who work so hard with our athletes. Also thanks to all the parents who support our teams and take their children to all the games and meets.

We are fast approaching our ITBS testing days. Please make sure your children get lots of rest, a good breakfast on the mornings of testing, and most important are present at school for the tests. It is very difficult for students to concentrate if they are tired or hungry. We are confident that our students will continue to score well as they have in the past.

Thank you to all the parents who continue to volunteer regularly at school in the lunch room, playgrounds, bubbling our test forms, tallying Sally Foster orders and helping with Market Days. If you would like a chance to devote a few hours and meet fun people, see our school in action just call the school office and volunteer! Please check the folder for a flyer detailing more volunteer opportunities. We can't do what we do without our parent volunteers!

Please continue to check the website for news, updates, and calendar events. We appreciate all the help from parents, faculty, staff and students who help keep our website current and informative.

If parents have any questions please feel free to email, call, or stop by my office. My door is almost always open and I enjoy and appreciate hearing from all of you. Thank you for your continued prayers and support.

Have a restful weekend.

Blessings,

Bonnie Polewski
Principal
